## **6. Basis of Award**

### **6.1 Best Value Determination**

DAI will review all proposals, and make an award based on the technical and cost evaluation criteria stated above, and select the Bidder whose proposal provides the best value to DAI. DAI may also exclude an offer from consideration if it determines that a Bidder is "not responsible", i.e., that it does not have the management and financial capabilities required to perform the work required.

Evaluation points will not be awarded for cost. Cost will primarily be evaluated for realism and reasonableness. DAI may award to a higher priced Bidder if a determination is made that the higher technical evaluation of that Bidder merits the additional cost/price.

DAI may award to a Bidder without discussions. Therefore the initial offer **must contain the Bidder's best price and technical terms.**

### **6.2 Responsibility Determination**

DAI will not enter into any type of agreement with a Bidder prior to ensuring the Bidder's responsibility. When assessing a Bidder's responsibility, the following factors are taken into consideration:

A list of the "Developing Countries" as well as "Advanced Developing Countries" can be found at: <https://www.usaid.gov/sites/default/files/documents/1876/310maa.pdf> and <https://www.usaid.gov/sites/default/files/documents/1876/310mab.pdf> respectively.

DAI must verify the source and nationality of goods and services and ensure (to the fullest extent possible) that DAI does not procure any goods or services from prohibited countries listed by the Office of Foreign Assets Control (OFAC) as sanctioned countries. OFAC sanctioned countries may be searched within the System for Award Management (SAM) at [www.SAM.gov](http://www.SAM.gov). The current list of countries under comprehensive sanctions include: **Cuba, Iran, North Korea, Sudan, and Syria**. ### 9.3 Data Universal Numbering System (DUNS)

There is a **mandatory** requirement for your organization to provide a DUNS number to DAI. The Data Universal Numbering System is a system developed and regulated by Dun & Bradstreet (D&B) that assigns a unique numeric identifier, referred to as a "DUNS number" to a single business entity. Without a DUNS number, DAI cannot deem a Bidder "responsible" to conduct business with and therefore, DAI will not enter into a subcontract/purchase order or monetary agreement with any organization. The determination of a successful Bidder/applicant resulting from this RFP/RFQ/RFA is contingent upon the winner providing a DUNS number to DAI. Bidders who fail to provide a DUNS number will not receive an award and DAI will select an alternate Bidder.

All U.S. and foreign organizations which receive first-tier subcontracts/ purchase orders with a value of **US\$30,000** and above **are required** to obtain a DUNS number prior to signing of the agreement. Organizations are exempt from this requirement if the gross income received from all sources in the previous tax year was under \$300,000. DAI requires that Bidders sign the self-certification statement if the Bidder claims exemption for this reason.

For those required to obtain a DUNS number, please email [KPGQueries@dai.com](mailto:KPGQueries@dai.com) for **"Instructions for Obtaining a DUNS Number - DAI'S Vendors, Subcontractors."**

For those not required to obtain a DUNS number, please email [KPGQueries@dai.com](mailto:KPGQueries@dai.com) for the **"Self Certification for Exemption from DUNS Requirement"** form.

### 9.4 Mandatory Vetting

Pursuant to AIDAR 752.204-71, all recipients of DAI Pakistan awards above **US\$25,000** must comply with vetting requirements of all key individuals under the given award. No cash or in-kind disbursements will be provided until the recipient organization and all key individual(s) under the organization have passed vetting. The purpose of vetting is to mitigate the risk that USAID funds and other resources do not, even inadvertently provide support or benefit individual or entities that are terrorists, supporters of terrorists or affiliated with terrorists. **The selected vendor will provide information and documents for Partner Identification Form (PIF); Scan copies of the registration of business, form-A/Form-29/Partnership deed etc. (whichever is applicable based on business registration) and scan copies of CNIC/Passport of Key individuals.**

## 10. Procurement Ethics

Neither payment nor preference shall be made by either the Bidder, or by any DAI staff, in an attempt to affect the results of the award. DAI treats all reports of possible fraud/abuse very seriously. Acts of fraud or corruption will not be tolerated, and DAI employees and/or subcontractors/grantees/vendors who engage in such activities will face serious consequences. Any such practice constitutes an unethical, illegal, and corrupt practice and either the Bidder or the DAI staff may report violations to the **Toll-Free Ethics and Compliance Anonymous Hotline at +1 855-603-6987, via the DAI website, or via email to [ethics@dai.com](mailto:ethics@dai.com)**. DAI ensures anonymity and an unbiased, serious review and treatment of the information provided. Such practice may result in the cancellation of the procurement and disqualification of the Bidder's participation in this, and future, procurements. Violators will be reported to USAID, and as a result, may be reported to the U.S. Department of Justice to be included in a Restricted Parties list, preventing them from participating in future U.S. Government business.

USAID/Pakistan has, in cooperation with the USAID Office of Inspector General, established the Anti-Fraud Hotline to provide an avenue for the reporting of fraud, waste, and abuse which may be associated with USAID funded projects in Pakistan. Complaints are handled with complete confidentiality and individuals are encouraged to report when corruption, fraud, waste or abuse may exist in the USAID/Pakistan projects. **Reports can be filed anonymously via the easy-to-use Hotline (toll free number 0800 84700); e-mail at [complaints@anti-fraudhotline.com](mailto:complaints@anti-fraudhotline.com) ; fax at 021-35390410; postal address at 5-C, 2nd Floor Khayban-e-Ittehad, Phase VII, DHA, Karachi, Pakistan; and on the website [www.anti-fraudhotline.com](http://www.anti-fraudhotline.com).**

Bidders must provide full, accurate and complete information in response to this solicitation. The penalty for materially false responses is prescribed in Section 1001 of Title 18 of the United States Code.

In addition, DAI takes the payment of USAID funds to pay Terrorists, or groups supporting Terrorists, or other parties in exchange for protection very seriously. Should the Terrorist, groups or other parties attempt to extort/demand payment from your organization you are asked to immediately report the incident to DAI's Ethics and Compliance Anonymous Hotline at the contacts described in this clause.

By submitting a Bidder, Bidders certify that they have not/will not attempt to bribe or make any payments to DAI employees in return for preference, nor have any payments with Terrorists, or groups supporting Terrorists, been attempted.
